

EXCELLENCE IN CRAFTSMANSHIP

FEATURES

- Clear kiln dried Western Red Cedar (or wood of your choice)
- Durable “Truth Hardware” lever operators, hinges and sash locks
- No finger jointed material
- Jambs are a full 1½” in thickness, rabbited, siliconed and screwed at the corners (no staples) for maximum

- One solid piece of cedar for extra wide jambs up to 11” in width, back scored to prevent cupping or warping (No laminating, no jamb extensions)
- All sash and mortise and tenon jointed, glued and screwed, providing maximum strength and square alignment
- Sash is easily removed for easy cleaning
- All openers are double weather stripped (one on the sash, and one on the jamb)
- Glazing - All windows are double glazed, IGMAC approved, with a 5 year warranty against failure

- Custom glazing options are available - Low E, Argon filled, internal grids etc...
- Sash locks are standard on windows 4 feet and over in height
- Screens removable from inside
- Optional pre-finishing available
- Built and tested to CSA Standard (CAN/CSA- A440-M90)
- Power Smart Approved

Original Log Homes Ltd.

Wood windows and doors are an integral component of any quality built home, transferring the richness and warmth of sunlight, while visually connecting the interior of the home with the natural beauty of the outdoors.

In our custom built “Westwood” windows and doors, we put extra attention into finishing and detailing of our windows and doors.

We have achieved and maintained a high standard of quality in all of our windows and doors, which will provide you long lasting satisfaction and beauty.

Choose the “Right Look” with handcrafted wood windows and doors by:

Original Log Homes Ltd. and Westwood Custom Windows and Doors Ltd. are both Canadian family owned and operated businesses. We are dedicated to providing top quality craftsmanship in our windows and doors for residential, commercial and log construction.
